What's on the Rock

I trust you had a good Christmas and New Year! 2014 is brining with it a number of challer and as an Agency we are looking forward to the Erasmus + programme. As an Agenc communications team has already started meeting a number of beneficiaries who would li know more about the new programme, and to find out more about the key actions whic under Erasmus +. We are looking forward to this new year, with the great oportunities the coming with it.

As the Eurodesk officer I would like to keep you updated once again with various intere information the Agency would like to offer. I have created a number of newsletters for Euroc now, and I would like to keep you abreast with news from the Island too.

As of this month interesting activities are going to be held for all young people, people work in the youth field, such as Youth Workers and others who are interested. However i third week of December an information meeting was going to take place for all stakho However it has been cancelled and postponed to next year. The good news is the European Commission has confirmed the Erasmus + Programme for 2014 -2020. The o Press release can be found further down in the News letter **To register for any one-to**
