## Eurodesk Malta Updates - Issue No. 11

## What's on?

Tomorrow make it a point to visit the 'Youth meet Youth' activity organised by the European Union Programmes Agency and Aġenzija Żgħażaġh with support from Eurodesk Malta. A number of youth organisations will be participating in this activity to provide information about their work and opportunities they provide for young people. They will also serve as good project examples from where interested youths could take some ideas to apply for the upcoming Erasmus+ deadline in October.

Last week, the Parliamentary Secretary for Research, Innovation, Youth and Sport, Chris Agius launched the Draft National Youth Policy Framework 2015 -2020 discussion document and opened it for public consultation until October 2014.

This document, entitled 'A Shared Vision for the Future of Young People', aims to support young people between 13 and 30. Interested parties can send their feedback to Aġenzija Żgħażaġh on [agenzia.zghazagh@gov.mt](mailto:agenzia.zghazagh@gov.mt) or on 22586700.

In this respect, in September, EUPA and Aġenzija Żgħażaġh will be organising a Youth Policy Consultation Seminar.
