While we congratulate all the organisations who had their project proposal granted, we would like to let you know that the Communications Team is in a position to meet with the representatives of the organisations who for some reason got their application form rejected or ineligible. During the meeting, we will be able to guide them on how they can submit a better project proposal in October.

Those interested in taking this opportunity can send an email to communications.eupa@gov.mt

**Erasmus for Young
Entrepreneurs**
www.erasmus-entrepreneurs.eu

Erasmus for Young Entrepreneurs is a cross-border exchange programme which gives new or aspiring entrepreneurs the chance to learn from experienced entrepreneurs running small businesses in other Participating Countries.

The exchange of experience takes place during a stay with the experienced entrepreneur, which helps the new entrepreneur acquire the skills needed to run a small firm.

The host benefits from fresh perspectives on his/her business and gets the opportunities to cooperate with foreign partners or learn about new markets.

The stay is partially funded by the European Union.

Whether you are a new or highly experienced entrepreneur, the programme can offer strong added value to your business: possible benefits include exchange of knowledge and experience, networking opportunities across Europe, new commercial relations or markets abroad.
