

The Eurodesk Malta Updates | Issue 2014

Dear friends!

Welcome to the 4th issue of our Eurodesk newsletter for 2014.

February 2014 has brought with it a number of challenges, and as an Agency we have the opportunity to meet a number of people to discuss the Erasmus + programme. Our communications team has already started meeting a number of beneficiaries who would like to know more about the new programme, and to find out more about the key actions which are being implemented under Erasmus +. In the last weeks a number of information meetings were held in order to answer out any queries people may have. In the next weeks the communications team shall be meeting a number of people in order to help them with application forms.

Should you wish to attend a one-to-one meeting, you are kindly asked to send an email to communications.eupa@gov.mt or call 25586120.

As the Eurodesk officer I would like to keep you updated once again with various interesting information the Agency would like to offer. I have created a number of newsletters for Europe now, and I would like to keep you abreast with news from the Island too.

February was an interesting month full of activities and information meetings for various sectors of the public and for all young people, people who work in the youth field, students, and people who are interested in the youth field.
