Training Opportunities

The European Union Programmes Agency constantly updates its end users about training opportunities (held abroad or locally) that those living in Malta can apply for.

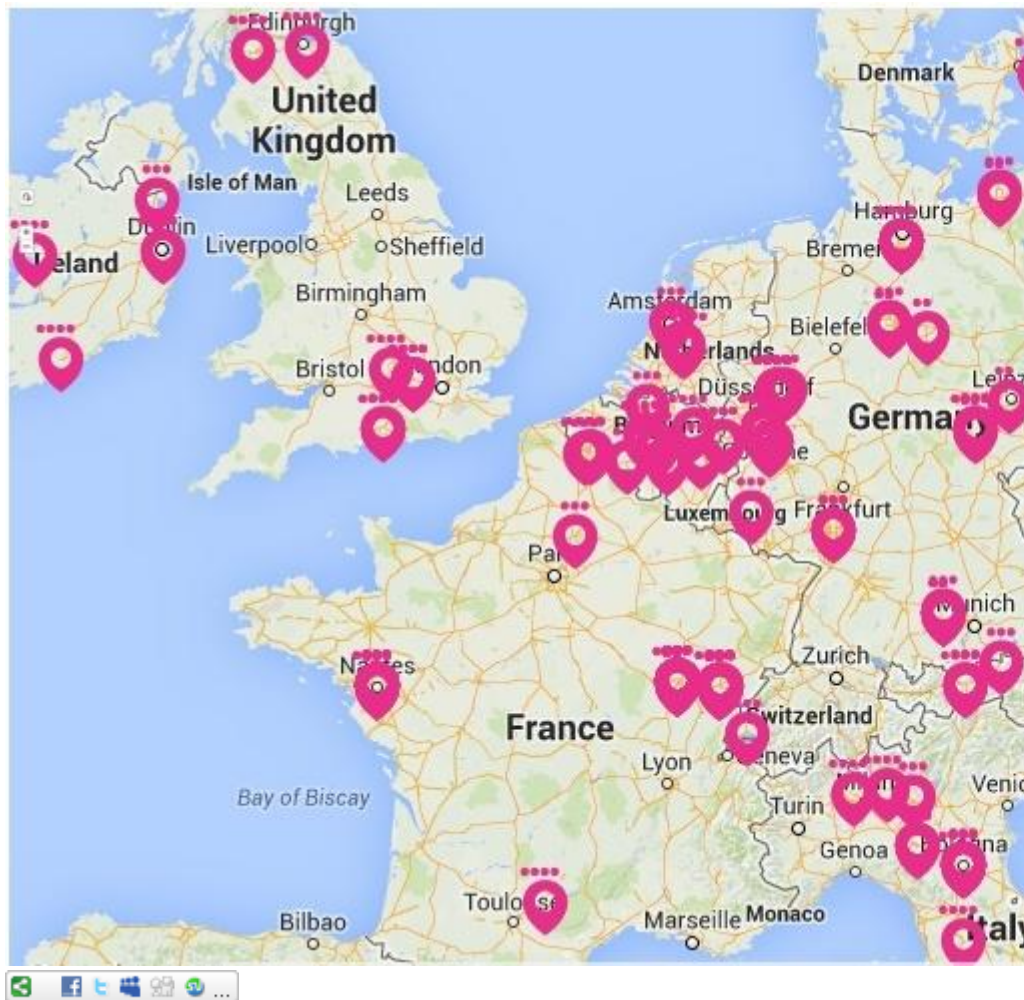

We highly encourage you to apply for the below training opportunities:

MapAbility: Mapping the HEIs (Higher Education Institutions) accessibility for student with disabilities and special needs!

A sub-part of ExchangeAbility Project, MapAbility aims to create a map about the accessibility and services of European Higher Education Institutions for students with disabilities, in order to provide practical information to them to be confident participating in study mobility programs. To access the map and for more

Erasmus for Young Entrepreneurs is a cross-border exchange programme which gives new or aspiring entrepreneurs the chance to learn from experienced entrepreneurs running small businesses in other Participating Countries.

The exchange of experience takes place during a stay with the experienced entrepreneur, which helps the new entrepreneur acquire the skills needed to run a small firm.

The host benefits from fresh perspectives on his/her business and gets the opportunities to cooperate with foreign partners or learn about new markets.

The stay is partially funded by the European Union. Whether you are a new or highly experienced entrepreneur, the programme can offer strong added value to your business: possible benefits include exchange of knowledge and experience, networking opportunities across Europe, new commercial relations or markets abroad.
